

Behind-the-scenes secrets! Pros reveal a

**Three weeks before**

Performer **Gwyneth Paltrow** visits celeb skincare guru Sonya Dakar for a Silver Clarifying Facial, which uses silver ions to fight bacteria and prevent breakouts for a glowing complexion.

**A week before** To achieve luminous skin, best actress nominee **Michelle Williams** goes to Dr. David Colbert for an Oscar Triad facial (which includes microdermabrasion, laser toning and a peel). Colbert suggests Williams apply Rodin Olio Lusso on her décolletage nightly "to give skin a velvety sheen." Meanwhile, **Mila Kunis'** makeup pro Tracey Levy has the *Black Swan* star apply Lancôme Flash Bronzer self-tanner on arms and chest every other day for a sun-kissed glow.

**The day of** Makeup pro Melanie Inglessis will use Lancôme Pure Focus Lotion to soften attendee **Olivia Wilde's** skin.
