We asked the following cosmetic-dermatology gurus based in New York what one could do as a quick fix, with zero downtime and 10 days left to the Oscars. Here's what they had to say:

New York, NY Downtown

Dr. David Colbert, M.D. —New York Dermatology Group, at 119 Fifth Avenue

SculpSure is the new "laser belt" for removing stubborn body fat. The belt goes around the waist or love handles and delivers enough fat-cell-busting energy in just 23 minutes to subtract a full inch of fat. Effective when you are on a deadline to slim down fast. I also recommend my **Runway Facial**, which combines the top six anti-aging technologies into a one-hour scientific fountain of youth.
